deReus Architects, Lead Designer
Wiseman Group collaboration

A masterfully created curved stone sink stands at the forefront of this tranquil bathroom, designed by Mark deReus with additional design efforts by the Wiseman Group. The curved surfaces of the sink are replicated in architectural details throughout the house.

2012 Design Excellence Awards

THE DESIGN EXCELLENCE AWARDS

showcased the talents of members of the San Francisco chapter of the American Society of Interior Designers. Awards were given by a panel of design industry experts to those interior designers who best represented excellence throughout the design process of their submitted installations. California Homes was honored to participate as the media sponsor and looks forward to the ceremony next year.

Residential Design | Single Space/Showcase
Suzanne Tucker

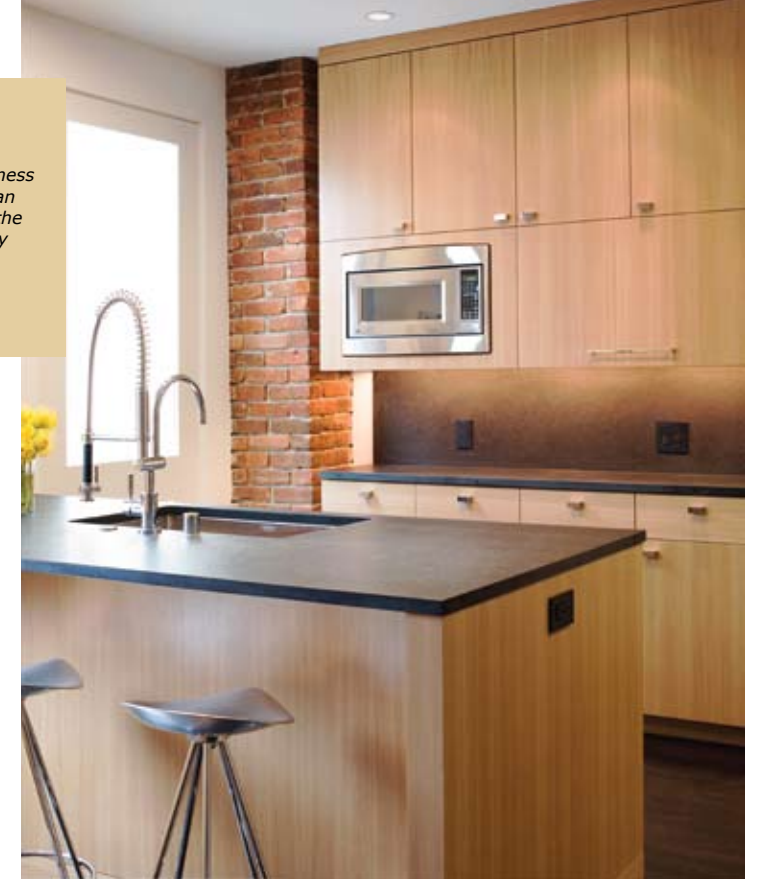

Suzanne Tucker and her design team created a contemporary yet casual living space. The combination of the earthy, warm color palate and striking details of items chosen for the room reflect a balanced, highly personalized space.

Residential Design | Kitchen
Michael Merrill

To create a feeling of spaciousness throughout the small, Edwardian residence, Merrill emphasized the ceiling height with tall cabinetry and an exposed brick wall.
